and Who's Who in Hockey**

## To The Press and Radio:

This is the fifth N.H.L. Press and Radio Guide and we consider it the best and most complete we've published to date.

This year's Press and Radio Guide has incorporated the contents of the "Hendy Hockey Guide and Who's Who in Hockey", which we believe makes this Guide the most complete book ever published on hockey. Jim Hendy, editor and publisher for 19 years of the "Hendy Hockey Guide and Who's Who in Hockey" decided to suspend publication of his annual because of the pressure of his duties as General Manager of the Cleveland Barons and we are very happy to be able to continue this wealth of player information.

Assembled and compiled in compact, easy reference form with the purpose of supplying you with as much factual information in the minimum time required to look up the information, we trust the N.H.L. Press and Radio Guide will prove of valuable assistance to you in covering hockey this season.

If there is anything further you may require in the way of publicity material or pictures please communicate with this office or the Publicity Director of the appropriate club at the address listed in the Club Directory shown in this book.

The National Hockey League and its member clubs greatly appreciate your past co-operation and sincerely trust that our cordial relations of the past will be further enhanced by this publication.

KEN MCKENZIE,  
Publicity Director.

### CHRONOLOGICAL HISTORY OF N.H.L.

The 1950-51 season was the 34th in the history of the National Hockey League. The chronological history of the League in the three decades is as follows:

1917—The National Hockey League was organized in Montreal on November 22. Delegates representing Montreal Canadiens, Montreal Wanderers, Ottawa and Quebec were present. These four teams along with the Toronto Arenas were admitted into the league. Quebec held a franchise but decided not to operate it that season. Frank Calder was elected President and Secretary-Treasurer. First games in this new League were played December 19, 1917. Toronto was the only city that had artificial ice.

1918—When the Westmount Arena, home of the Wanderers, burned down, the team dropped out of the League.

1919—Quebec Bulldogs operated their franchise in the League. Toronto Arenas changed their name to Toronto St. Patricks.

1920—Hamilton Tigers replaced Quebec.

1924—Boston Bruins became first American Club to join the League, and Montreal Maroons entered the ever-expanding circuit, giving Montreal two teams.

1925—Hamilton Tigers' franchise was sold to New York Americans for \$75,000. The third United States Club, the Pittsburgh Pirates, entered the League.

1926—Biggest single year in history of N.H.L. Three new United States teams, New York Rangers, Chicago Black Hawks and Detroit Cougars were admitted into the League. It was now a 10-club circuit, and was divided into two sections: Canadian Division had Toronto Maple Leafs (changed name from St. Pats to Maple Leafs), Ottawa Senators, Montreal Canadiens, Montreal Maroons and New York Americans. American Division consisted of Boston Bruins, New York Rangers, Chicago Black Hawks, Detroit Cougars and Pittsburgh Pirates. The Stanley Cup, most coveted prize in hockey, came into the exclusive possession of the National Hockey League.

1930—Pittsburgh franchise was transferred to Philadelphia where a team known as the Quakers operated for one season. Detroit changed team's name from Cougars to Falcons.

1931—Philadelphia dropped out of League. Ottawa retired from League for one year.

1932—Ottawa resumed play for two seasons.

1933—Detroit changed nickname from Falcons to Red Wings.

1934—Ottawa franchise transferred to St. Louis. Team was called St. Louis Eagles and consisted of most of the Ottawa players of the previous season.

1935—St. Louis dropped out of the League, leaving the membership at eight teams.

1938—Montreal Maroons retired from the N.H.L.

1941—New York Americans changed name to Brooklyn Americans.

## CHRONOLOGICAL HISTORY OF N.H.L.—Cont.

1942—Brooklyn Americans retired from League. This left the present six teams in the League—Montreal Canadiens, Toronto Maple Leafs, Boston Bruins, New York Rangers, Detroit Red Wings and Chicago Black Hawks.

1943—Frank Calder, President of League since its inception, died in Montreal in February. Mervyn “Red” Dutton, former manager of New York Americans, succeeded him as president.

1946—Dutton retired as President of League prior to opening of 1946-47 season and was succeeded by Clarence S. Campbell.

1946-47—Neutral linesmen introduced.

## NATIONAL HOCKEY LEAGUE ALL-STARS

The 1950-51 N.H.L. All-Stars were selected by 18 hockey writers and broadcasters—three from each N.H.L. city—and points were awarded on the basis of five for a first choice, three for a second and one for a third. A unanimous selection polled 90 points. Defenceman Red Kelly and Centre Milt Schmidt were unanimous choices on the 1950-51 sextet.

Players making the First Team receive \$1,000 from the National Hockey League, while those named to the second squad are awarded \$500.

# THE STANLEY CUP

The Stanley Cup is symbolic with the world's hockey championship. It is the oldest trophy contested for by professional athletes on the North American continent. It was donated by Lord Frederick Arthur Stanley of Preston, a Governor General of Canada, in 1893. Prior to 1908 the Stanley Cup was competed for by amateur clubs, but since that time it has been played for solely by professionals.

When the Western Canada Hockey League disbanded, the Stanley Cup came into the exclusive possession of the National Hockey League in 1926. Since 1926-27, the coveted piece of silverware which originally cost only \$50, has been won seven times by Toronto Maple Leafs. Detroit Red Wings have won it four times and Montreal Canadiens have also won it four times since 1926-27. New York Rangers and Boston Bruins have won it three times and Chicago Black Hawks have won it twice.

## THE PRINCE OF WALES TROPHY

The Prince of Wales Trophy is presented annually to the team that wins the National Hockey League championship. It was donated in 1924 by His Royal Highness, the Prince of Wales. Detroit Red Wings have been the winners for the last three seasons.

From 1927-28 until 1938-39 this trophy was awarded to the team that finished on top of the American Division of the N.H.L. Since 1938 however, when the League operated in one section, it has gone to the team finishing first at the end of the regular schedule.

Montreal Canadiens have won it more times than any other team since it has been awarded to the N.H.L. champions. Canadiens have annexed the trophy four times. Detroit Red Wings and Boston Bruins have captured it on three occasions, Toronto Maple Leafs once and New York Rangers once.

## THE O'BRIEN TROPHY

Presented to the National Hockey Association in 1909 by M. J. O'Brien, this trophy was awarded annually to the team that won the N.H.A. championship. When the N.H.A. gave way to the N.H.L. in 1917, it was also awarded to the N.H.L. winner each season. From 1927-28, when the National Hockey League operated in two sections—Canadian Division and American Division—until 1938-39 when it reverted back to one section, the O'Brien Trophy was presented annually to the team that won the Canadian Division. From 1938-39 through 1949-50 the trophy was awarded to the club that was eliminated in the Stanley Cup final.

This trophy has now been retired and returned to the trustee.

## THE HART TROPHY

The Hart Trophy is generally conceded to be the highest individual award a hockey player can earn. The winner for 1950-51 is one of the greatest hockey players to ever enter the N.H.L. and one of the finest competitors that ever lived. The 1950-51 winner of the trophy which is awarded annually to "the player adjudged to be most valuable to his team", was Milt Schmidt, veteran captain and center of the Boston Bruins.

Schmidt had just completed his 12th season as a National Hockey League standout and this was the first time that he had ever won one of the coveted trophies. The 1950-51 season was one of his most outstanding years and besides winning the Hart Trophy he was a unanimous choice as center on the N.H.L. All-Star Team. The 33-year-old stalwart polled 40 points out of a possible 54 in the voting for the Hart Trophy which was conducted, by a panel of 18 hockey writers and broadcasters—three from each N.H.L. city.

For winning the Hart Trophy Schmidt is the recipient of \$1,000 from the National Hockey League. He received the same amount for being named to the centre position on the All-Star sextet.

The Hart Trophy was presented to the National Hockey League in 1923 by Dr. David A. Hart, father of Cecil Hart, manager-coach of the 1930 and 1931 Stanley Cup champion Montreal Canadiens. Frank Nighbor of Ottawa was the first winner of the Hart Trophy in 1923-24.

Eddie Shore, Boston Bruins' famed defenseman, won the coveted award more than any other player. Shore had his name engraved on the trophy four times. Howie Morenz, Montreal Canadiens' peerless center, won it three times.

## THE LADY BYNG MEMORIAL TROPHY

First winner of the new Lady Byng Memorial Trophy is Leonard Patrick (Red) Kelly, high-scoring defenceman of the Detroit Red Wings. The Lady Byng Memorial Trophy is presented by the National Hockey League in memory of the late Countess Byng of Vimy, who died in 1949. The trophy is awarded annually to "the player adjudged to have exhibited the best type of sportsmanship and gentlemanly conduct combined with a high standard of playing ability during the season."

The 24-year-old Kelly racked up 31 points out of a perfect 54 in the balloting conducted by three hockey writers and broadcasters from each of the six N.H.L. cities. Points are awarded on a three-two-one basis. Kelly is the second defenceman in history to annex this award.

The smooth all-round brilliance of Kelly's play was suitably recognized this season. Besides winning the Lady Byng Memorial Trophy he was also a unanimous choice to a defence berth on the N.H.L. All-Star Team. He pockets \$1,000 from the League for each of his achievements.

Lady Byng, wife of Canada's Governor General of that period, presented the original trophy to the National Hockey League in 1925. Frank Nighbor, of Ottawa, Lady Byng's favorite player, won the trophy the first two years of its existence, 1924-25 and 1925-26. Frank Boucher, of New York Rangers, then went on to win the trophy seven times in the next eight years and he was given permanent possession of it. Lady Byng donated a new trophy in 1935.

## THE VEZINA TROPHY

The Vezina Trophy is awarded annually to "the goalkeeper who has played the most games for the team with the fewest goals scored against it." It also enriches the winner by \$1,000 from the N.H.L. Al Rollins, rookie netminder of the Toronto Maple Leafs, was the 1950-51 winner.

Rollins becomes the third Toronto goalie to cop this cup. Turk Broda, who shares goaltending duty with Rollins in the Leaf camp, previously won the award on two occasions. Montreal Canadiens' goalies have won the Vezina Trophy nine times in all. Boston Bruins' cage-custodians have won it six times. Chicago goalkeepers have won it three times; Detroit netminders have won it twice, while only one New York Rangers' goalie was able to carry off the award.

Bill Durnan of Montreal Canadiens won the Vezina Trophy six times in seven seasons. No other player ever won the cup more than four times. Durnan won it four times in succession—his first four years in the League.

Leo Dandurand, Louis Letourneau and the late Joe Cattarinich, former owners of Montreal Canadiens, presented the trophy to the National Hockey League in 1926-27 in memory of Georges Vezina, Canadiens' outstanding goaltender who collapsed during an N.H.L. game on November 28, 1925 and died a few months later.

## THE CALDER MEMORIAL TROPHY

A goalkeeper won the Calder Memorial Trophy as "the player selected as the most proficient in his first year of competition in the National Hockey League," for the second successive season when Terry Sawchuk of Detroit carried off the laurels in 1950-51. The husky puck-blocker of the Red Wings was the first choice of 15 of the 18 selectors. He was second pick of three and polled a total of 51 points out of a possible 54. He earned a cheque of \$1,000 from the National Hockey League for winning this award.

Sawchuk has completed the Grand Slam of being selected as the outstanding rookie in every professional league he's played in. He was previously voted the top freshman award in the United States Hockey League and American Hockey League. The 22-year-old rookie was also named to the goalkeeper's post on the First N.H.L. All-Star Team for 1950-51, a unique honor for a first-year player.

Commencing with the 1936-37 season and continuing every year until his death in 1943, Frank Calder bought a trophy each season to be given permanently to the top rookie. Following his death, the N.H.L. put up the Calder Memorial Trophy in his memory and this trophy is to be kept in perpetuity. Gaye Stewart was the first winner of the Calder Memorial Trophy while Syl Apps was the first Calder Trophy winner.

Prior to 1936-37 no trophy was given to the outstanding first-year player. However, four players, Carl Voss, Russ Blinco, Dave Schriner and Mike Karakas were selected as the leading rookies during the four seasons preceding 1936-37.

To be eligible for this trophy a player cannot have played more than 20 games in any preceding season.

## THE ART ROSS TROPHY

Big Gordie Howe, Detroit Red Wings' star right winger, set a National Hockey League scoring record in winning the Art Ross Trophy for 1950-51. Howe scored 43 goals and assisted in the same amount for a total of 86 scoring points during the regular 70-game schedule to shatter the previous mark of 82 points held by Herbie Cain of Boston.

The Art Ross Trophy is awarded each year to the leading scorer during the regular schedule. It was donated by Arthur H. Ross and a cheque for \$1,000 from the N.H.L. accompanies the winning of this majestic piece of silverware.

In the event that two players finish the regular schedule with the same number of scoring points the trophy would be awarded in this manner:

1.—player with most goals; 2.—player with least games played and 3.—player scoring first goal that season.

## INDIVIDUAL PLAYERS LIFETIME RECORDS

The 1951-52 N.H.L. Press and Radio Guide features for the first time the complete individual lifetime records of all players in professional hockey. Hendy for publication in his Official Hockey Guide and Who's Who in Hockey and has been reproduced here with the addition of last season's records.

Players' complete professional record for both the regular schedule and playoffs is listed in handy reference form. The first 10 names listed are former stars, now coaches and executives in the National Hockey League.

Tommy Ivan is the only coach in professional hockey today who never played professionally. He was an outstanding amateur, starring in C. H. A. senior ranks when an injury ended his career. He broke into professional hockey in 1945-46 as coach of the Omaha Knights in the USHL. He served in a similar capacity with the Indianapolis Capitals of the AHL in 1946-47, and at the start of the 1947-48 campaign Manager Jack Adams named him coach of the Detroit Red Wings in the NHL.

### GOALTENDERS

Unfortunately until a few years ago little or no attention was paid to the averages of perhaps the most important man on the ice—the goaltender. Many of the game's greatest netminders would have difficulty in proving they had ever played in a professional hockey league if they had to rely on the records to substantiate their claim. This matter is now being taken care of, and while every effort has been made to furnish as much data as possible on each goaltender, in many instances the record is incomplete.

Abbreviations: GP—Games played. GA—Goals against. SO—Shutouts. GAPG—Goals against per game, average. x Record unavailable. (...) Did not play.
